Qalhat LNG, in a continuation of its “Gift to Nation Initiative” that was announced in November 2011 to commemorate the Sultanate’s 40 glorious National Day, presented yesterday 7 fully equipped ambulance vehicles to Ministry of Health. The presentation ceremony took place at the Ministry Headquarter and attended by H.E. Dr. Darwish bin Saif bin Said Al Maharbi, Undersecretary for Administrative and Financial Affairs, Ministry of Health. These 7 donated ambulances complimented Qalhat LNG early this year donation of 17 other ambulance vehicles to the Ambulance Unit, Royal Oman Police, 24 emergency vehicles in total.

H.E. Dr. Darwish Al Maharbi expressed his appreciations at the presentation ceremonies to Qalhat LNG for their exceptional initiative and commented, “Our gratitude to Qalhat LNG for their pioneering sense of corporate social responsibility. The initiative is a clear testimony that the Company is fully aware of its corporate social responsibility role within the community. These ambulance vehicles will no doubt enhance the health services in the willayats that they will serve in. Our thanks and appreciations go to Qalhat LNG management and all staff for such effective social program initiative that achieve the sustainable development for communities and Omani individuals”, added H.E. Dr. Al Maharbi.

Mr. Khalid bin Abdullah Al Massan, Vice- President for Corporate Affairs, Qalhat LNG stated in this occasion that Qalhat LNG, through adopting this initiative is trying to emphasize on the importance of mutual cooperation of all government and private organizations for serving the local communities. Issues of Health and safety are given special attention by Qalhat LNG in which are fully integrated into all of its business activities and beyond.

“This great initiative with Ministry of Health today is a continuation of an earlier announcement of “Gift to Nation” when culminated its efforts to help reduce the impact of road accidents across the country by giving away 24 fully-equipped ambulances to the nation in honor of the Sultanate’s 40th National Day. The company’s Board of Directors approved this generous contribution for a sustainable project to mark this auspicious occasion and due to the fact that traffic safety was seen as one of the most significant areas to which Qalhat LNG could contribute. Qalhat LNG’s gift comprised of 17 fully-equipped ambulance and emergency vehicles to the Ambulance Unit, ROP and a further 7 ambulances to the Ministry of Health that we are celebrating today. We hope therefore that these ambulances will impact positively on the community for many years to come” Added Mr. Al Massan.

Qalhat LNG has taken its corporate social responsibilities with great interest. This was evident by the decision to allocate 1% of the Company’s annual profits to the development of the local communities. Aware of its social responsibilities, as an organization and being fully committed to making a positive difference within the society, Qalhat LNG’s social investment program (SIP) was designed to identify and invest in projects, events and causes that are of relevance to specific needs of the local communities, and the entire Sultanate of Oman.
