## Qalhat LNG Sponsors 39 Students from Needy Families for Degree and Diploma Qualifications.

As part of its Social Investment Program, Qalhat LNG and the Omani Charitable Organization signed an agreement last week at the Ministry of Interior. The agreement was signed by HE Sayyed Mohammed Bin Sultan Al Busaidy, Undersecretary of the Ministry of Interior, the Executive office deputy president at the Omani Charitable Organization, and Mr. Khalid Bin Abdullah Al Massan, Qalhat LNG Corporate Affairs Manager. The signing ceremony was attended by Shaikh Khalil Bin Ahmed Al Salmi, board member and the Chairperson of Social Investment Program Committee in Qalhat LNG, and Mr. Ali Bin Ibrahim Al Raisi, CEO of Oman Charitable Organization.

Under the terms of the agreement, Qalhat LNG will support 39 high school graduates who belong to the social insurance and limited income families

to continue their higher studies to obtain diploma and bachelor degrees from national private colleges and universities as part of the Omani Charitable Organization Scholarship financial aids Program.

HE Sayyed Mohammed Bin Sultan Al Busaidy expressed his thanks and gratitude to Qalhat LNG for their initiative in supporting the education of students who belong to the social insurance and limited income families

which will surely result in a better and secured future for them and their families. He added that this kind of initiatives is one of the corporate social responsibilities that the private sector is encouraged to participate in for its great impact on the Omani youth and local communities in general and especially those who belong to limited income families and equivalents.

Mr. Khalid Bin Abdullah Al Massan has emphasized the role of Qalhat LNG in supporting sustainable social, educational, health and environment initiatives through its ambitious Social Investment Program when 1% of the company's annual NIAT has been allocated for this purpose. "We are fully committed to making a positive difference within the society. Our Social Investment Program is designed to identify and invest in initiatives that are relevant to the community needs", said Al Massan. He added, "This particular initiative will no doubt add an extra pride to the company. After achieving an outstanding Omanization percentage of 93% between its employees, Qalhat LNG is continuing its remarkable achievement by educating and developing more Omani youth to qualify them for the labor market. We are very proud of the cooperation with the Omani Charitable Organization, their dedication and commitment in managing and following up this support is highly appreciated".
